Participation Drive

As mentioned in the May 2015 ICB letter, the Island Community Board is revitalizing its ranks by holding elections this summer.

If you are interested in being a seasonal or year-round resident representative to the ICB, please contact ICB President Tom O’Neil. The ICB Board will be looking for nominations in June. The aim is to be as inclusive as possible because the ICB represents all of us, and it is the sincere hope that an invigorating and enthusiastic forum can be established for discussing so many of the vital issues that affect this beautiful island.

In order to provide an effective civic forum, the ICB Directors are asking members of the Fishers Island Community to join the Community Member Voter Participation Drive so that everyone has an opportunity to vote and the ICB can achieve a fair and balanced voice going forward. It is critical to the effectiveness of the ICB that elections happen annually. A seamless and free sign-up is available here through fishersisland.net that will be used as a vehicle for both registering and counting everyone’s vote.

To begin, you are asked to register with the ICB as an ICB Member and self identify as a Year-Round resident or Seasonal resident. When it is time for the elections this summer, you will then vote for the ICB representative candidate that matches your status.

To register and vote as an ICB Community Member, you must be 18 years of age.

*To help determine if you self identify as a Year-Round resident you would have **at least one** of the following: Possess a Fishers Island Ferry Resident card, are registered to vote in local elections, pay income taxes using your Fishers Island address, and/or have a New York State drivers license with the Fishers Island address.*
